臺灣國際科展介紹

Introduction of TISF

國立臺灣科學教育館自 2002 年起辦理「臺灣國際科學展覽會」，至今，已成為臺灣最重要的國際科學賽事，其主要目的在於透過展覽會期間的一系列活動，提供師生與國際交流、接軌的機會。本次競賽共 21 國 492 位師生，150 件優秀作品進入決賽。祝每位選手在競賽期間都能有最好的表現，並且能把握時間和各地的選手交流，留下最難忘的回憶！

Taiwan International Science Fair has become the most important international science fair in Taiwan since 2002. The main purpose is to offer opportunities for international exchange and exploration for science audiences. This year, TISF brings together 492 domestic and overseas participants, and 150 projects from 21 nations to compete for awards. Wish every participant can have their best performances during the competition, and seize the time to exchange experiences with others. Have a wonderful time!

科學市集

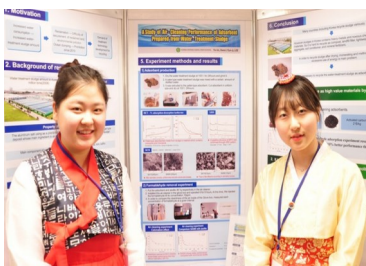

Science Bazaar

為了展現科技成果的多元，大會期間於 1F 大廳設置 12 個科學攤位，由各知名公司、機構及大學共同支援。主題包含動手玩科學、環境保育、動物科學、太空科學、雲端科技等，相當豐富。

The Science Bazaar started from 2/5~7 at 1F lobby and there are 12 science booths from Intel, IBM, Microsoft, national labs, organizations, and universities. The topic of science booths contains hands-on maker, environment education, animal science, space science, and cloud computing.

英特爾傑出青年女性科學家獎

Intel Awards for Women in Science

為鼓勵對科學研究具備熱忱及貢獻之傑出女性，今年新增「英特爾傑出青年女性科學家」獎項，將於獲「2015 年台灣國際科學展覽會」美國英特爾國際科展正選代表中選出具有卓越科學研究，且對社會和科學進步具貢獻的女性學生 2 名，並將於 2/9 頒獎典禮公開頒發。

In order to encourage outstanding women who have possessed passion in scientific research and made excellent contributions, this year, Intel decides to select a winner to be awarded "Intel Awards for Women in Science" from the finalists to attend ISEF, who has the ability of innovation in tackling challenging scientific questions, using authentic research practices, and creating solutions to the problems of tomorrow. The prize will be announced at the Award Ceremony on Feb 9.

2015 NTSEC 臺灣國際科展

現在位置—科教館

WHERE are we?

National Taiwan Science Education Center

臺灣科學教育館成立於民國 45 年，至今已運行了 57 年。館內展示包含各領域的展示內容，並設有特展區(7、8F)，依時展示不同主題的展品，以平易的解說帶領各年齡層的參展者進入科學的世界，提供完整、豐富的科學知識教育國人，是國內科學活動推廣的重要中心。另外，每年科教館皆承辦臺灣國際科學展覽會，讓臺灣學子有機會與國際的科學人才交流。

探索科教館

這幾天，我們主要的活動範圍是在 9 樓的展場、7~8 樓的特展區，1 樓大廳。另外，2 樓設有餐飲區和自由用餐區，有需要的話可以善加利用。

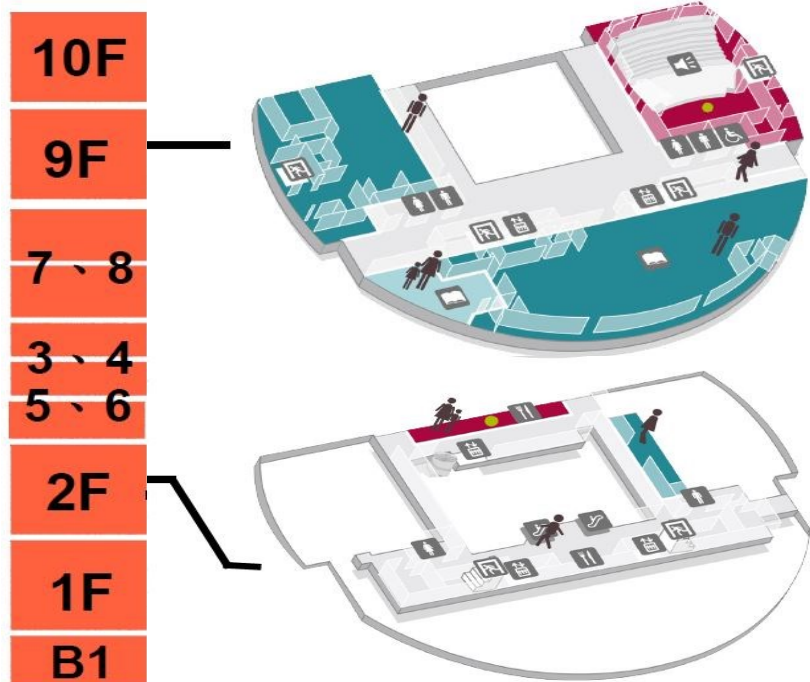

Established in 1956, National Taiwan Science Education Center is an important science-promoting association in the country. With permanent area displaying rich contents from various fields and up-to-date exhibitions (at 7F and 8F), NTSEC enriches our citizens' scientific knowledge. Furthermore, the Taiwan International Science Fair is hosted by NTSEC annually, providing a platform for Taiwanese and international students to interchange scientific projects and thoughts.

Exploring NTSEC

These days, we are going to spend plenty of time here in NTSEC, especially in the Exhibition Hall in 9F, Special Exhibition Area in 7F&8F, the Lobby in 1F, and the Dining and Recreation Area in 2F. If you need them, GO and EXPLORE!
